

ATTENTION! SAFETY TIPS FOR POP-UP BIKE LANE

A pop-up bike lane has been placed in this space to aid in safe and efficient mobility. The following tips are designed to help all road users, including new cyclists, adapt to the changes.

FOR ALL ROAD USERS

1. Respect the established speed limit
2. Do not use your mobile phone while driving or pedaling
3. If you consume alcohol, do not drive or pedal

FOR DRIVERS

1. Respect pedestrians and cyclists
2. Respect a distance of 1.5 meters from cyclists if the bike path is not separated
3. Do not invade or park on the bike lane
4. Whenever you park, check if there are cyclists nearby when opening doors!
5. Only let passengers in and out in allowed areas
6. Respect pedestrian crossings, access ramps and bike boxes
7. When turning always check if there is a cyclist nearby and give way
8. Always follow the traffic light
9. Respect traffic signs and road markings

FOR CYCLISTS

1. Always ride in the correct direction of the bike path and the road
2. Make yourself visible, wear lights and preferably a vest
3. Protect your head: wear a helmet
4. Always pay attention at intersections and follow the traffic signals
5. Always pass other cyclist on the left side
6. Always signal a turn and make sure you yield to others when turning
7. Do not cycle in space for pedestrians, such as sidewalks, and remember to yield to pedestrians using crosswalks and accessibility ramps
8. Respect boarding and alighting areas for public transit, taxis and cars
